

## Esri Transportation eBrief

### For Phoenix Area Transit Agency, GIS Becomes a Powerful Business Enabler

For Arizona's Valley Metro Regional Public Transportation Authority, its first big hurdle was to convince people that GIS is about more than "just" maps. Showing people the data behind maps and dashboards and the analyses and outcomes possible proved to be of great benefit.

An advertisement for Esri publications. It features a laptop with hands typing on the keyboard. Several eBriefs and Esri News magazines are scattered around the laptop. The text on the right reads: "IT DOESN'T HURT TO BRAG A LITTLE. Have your work featured in Esri publications. Submit your story". The eBriefs and Esri News magazines have titles like "Esri State and Local Government eBrief" and "Esri News for State &amp; Local Government".
